Year 5/6 Residential Visit - June 2023

Dear Parents/Carers,

This year, we have faced significant challenges in trying to secure an affordable residential trip. Prices for the 5 day experiences we have gone on in previous years are 50-100% higher in cost following a return to normal levels of demand with less places available as some providers have closed during the pandemic or reduced the places they offer.

This has meant we have had to look at a wide range of providers to secure an affordable option to continue our outdoor and adventurous provision. It has also meant we have had to take the difficult decision to reduce the length of the residential to try and keep the overall price as low as we can.

We apologise that this extra work has then reduced the normal payment window but hope you will all understand in the current economic climate.

The children will be visiting Hartington Hall, YHA in the Peak District. During their time on residential they will be taking part in a range of adventurous activities and also have the opportunity to visit Crich Tramway Museum on the way to the accommodation.

This residential visit is open to all those children who are in Year 5/6 this year.

Please return the reservation slip as soon as possible to **class teachers**.

Places will be allocated in the order payments are made on the iPay system FROM TOMORROW (Saturday). We are able to take a large number of children on this residential so we do not anticipate the need for a waiting list but, should it occur it will be in strict order of payment. If you have any specific issues with making this payment but would like to ensure your child goes on the trip, please speak to Mrs Adamson in confidence or email sally@edgewood.notts.sch.uk to see if we can help.

Further details will follow but start and end times are not anticipated to be outside usual school hours.
