Dear Parents/Carers,

Year 5/6 Residential Visit – February 2025

This year, we have worked hard to secure an affordable option to continue our outdoor and adventurous provision. The children will be visiting Mount Cook Adventure in the Peak District. During their time on residential they will be taking part in a range of adventurous activities.

The reason behind taking this trip in February as opposed to March as originally planned is due to the significant uplift in cost to go just three weeks later – nearly £150 per child. Having studied regional weather patterns there is no difference in weather to undertake this residential on the dates specified.

This residential visit is open to all those children who will be in Year 5/6 this year.

Places will be allocated in the order payments are made on the iPay system. Places are strictly limited to 50 children. Payment will go live at 3.45pm on Friday 20th September.

To confirm the reservation, please make payment of £60 on the iPay system. If this capacity is reached on the iPay system, please contact the school office to add your child to the reserve list.

The dates for the visit are **3rd February 2025 – 7th February 2025** at the Mount Cook Adventure in Derbyshire.

Children will leave on Monday morning and return to school on Friday afternoon (4 nights/ 5 days).
