

Edgewood Primary School

Building skills and values for life

Friday 6th January 2017

Dear Pupils,

House Competition

This is an opportunity to take part in a competition to win house points for your house.

All you have to do to earn house points for your team is to answer the questions on the back of this letter. There are different questions for each year team. After the closing date we will count up all the correct entries, and award points to the houses for each set of correct answers.

There is also a bonus question to answer about your house. Correct answers for this question will earn an extra house point.

You can have help from your family to answer the questions, so everyone can take part. Please make sure you return your entry slip to school by **Friday 20th January**. We will announce the results the following week.

Good luck!

Year 6 House Captains
