

Edgewood Primary School

Building skills and values for life

Monday, 4 July 2022

Dear parents/carers,

Congratulations to Class Amarillo for a weekly attendance of 97.05%

Weekly Class Achievers

Today, we will be celebrating the achievements of the following children for being last week's achiever.

Nursey & Reception		Years 1 & 2		Years 3 & 4		Years 5 & 6	
<u>Rainbow</u>		<u>Yellow</u>		<u>Verde</u>		<u>Azul</u>	
<u>Red</u>		<u>Blue</u>		<u>Amarillo</u>		<u>Morado</u>	
<u>Green</u>		<u>Orange</u>		<u>Rosa</u>		<u>Rojo</u>	

I am sure you will join me in congratulating the children above on their amazing effort and success last week.

School Pick Up

Can we please remind parents to let class teachers know if children are being picked up by anyone other than the adults that normally pick up. For example, if your child is going to a friends after school and is being picked up by another parent, or a relative that does not normally collect, will be coming as a one off. This will ensure that there is no delay in your child leaving school, as the teacher will be aware and they will not have to investigate further.

Monster Kickabout

This week, the whole school will be joining in the Monster Kickabout. There will be lots of football related activities going on during break times, and dinner time. If you have any photos of your child taking part in football activities, at home or at a football club, we would love to see them! Please upload any photos you have to your child's seesaw. Children still need to attend school in their uniform or their PE kit if it is their PE day.

Christchurch Road, Hucknall, Nottinghamshire, NG15 6HX

School Calendar 2022/2023

Please see below next year's academic calendar.

The children's first day back at school after the summer holiday is Thursday 1st September 2022.

Inset days have been set for the following dates:

Wednesday 21st December 2022,

Friday 10th February 2023,

Monday 24th July 2023 &

Tuesday 25th July 2023.

GL Ready & Speech Link

GL Ready is a computer-based system for the early identification of learning difficulties, including traits of dyslexia, between the ages of 4 to 15 years. It is easy for the children to complete, taking only 15 minutes on a tablet or laptop. The activity is split into 3 sub-tests to identify difficulties with phonological processing, auditory working memory, phonic decoding skills and memory skills. All children in Years 1-6, alongside F2 (Reception) will have access to the test, which is like completing a fun and interactive game on a device.

Speech Link is a similar web-based system that assesses a child's vocabulary and language processing skills. These interactive screening games are being administered to children in years 3, 4, and 5.

Should any child be identified as having difficulties with a particular area of their learning, teachers will be in contact with parents and carers to discuss any strategies or resources which need putting into place.

The GL Ready system and Speech Link are highly recommended amongst schools and are a relaxed, interactive way of assessing children's needs.

Should you have any questions about these, please email the school office.

Hot Weather

As we have experienced some hot weather this week, it feels like the perfect time to remind parents and carers to ensure children have water bottles, hats and suntan lotion in school on hot days. Children will re-fill water bottles and re-apply suntan lotion when necessary.

Summer clubs

As the summer holidays are fast approaching, The Lime Trees would like you to know that they will be running summer clubs over the holidays. Please see the flyer below for details.
