

Edgewood Primary School

Building skills and values for life

Friday, 5 November 2021

Congratulations to Orange Class for a weekly attendance of 100%

Weekly Class Achievers

On Monday, we will be celebrating the achievements of the following children for being the class weekly achievers.

Nurse & Reception		Years 1 & 2		Years 3 & 4		Years 5 & 6	
<u>Rainbow</u>	Olivia	<u>Yellow</u>	Phoebe	<u>Verde</u>	Finley	<u>Azul</u>	Charlie
<u>Red</u>	Finley	<u>Blue</u>	Oliver	<u>Amarillo</u>	Zara	<u>Morado</u>	Cody
<u>Green</u>	Henry	<u>Orange</u>	Theo	<u>Rosa</u>	Isaiah	<u>Rojo</u>	Daisy

I am sure you will join me in congratulating the children above on their amazing effort and success this week.

Welcome Back

We are pleased to welcome you back to the second half of the autumn term. This is a lovely term for the children, with lots of activities building up to finale of Christmas. We would like children to enjoy as much of this half term as possible and ask that everyone continues to observe all of the government guidelines around preventing the spread of Coronavirus. Cases in the community are rising rapidly, and as we move into flu season, it is imperative that everything we as a school have put in place to keep you and your children safe is adhered to. We would also urge each and every one of you to sign your children up to receive the flu nasal spray. Details on when this is happening and how to give your consent are below.

Remembrance Day

All children, will be learning and talking about Remembrance day next week. As well as this, we will be observing the national 2 minutes silence at 11am on Thursday 11th November. We do have a selection of items for children to purchase in reception. There is also a donation tin should you wish to send a donation into school with your child.

Flu Vaccination

We will once again be having the vaccination team in school to administer this year's Flu Vaccination nasal spray. This will take place on the afternoon of 23rd November 2021. You will need to complete a consent form for each of your children in order to give or decline consent. There is a copy of the letter with the appropriate link attached to this newsletter. Please go online and complete the form ASAP so we can prevent this horrible illness spreading this winter.

Children In Need 2021

I am pleased to advise that we will once again be taking part in this year's Children In Need. It takes place on Friday 19th November 2021. We are asking children to come into school in their own clothes (or Pudsey clothing) for a suggested donation of £1 per family. (Obviously if you wish to make a bigger donation, you are very welcome.)

All donations need to be made via our just giving page below:

<https://www.justgiving.com/fundraising/edgewood-primary-school?newPage=True>

Please do not send your child with cash on the day!

Uniform

Can I please ask that all parents and carers check their children's uniform, in case your child has accidentally come home with someone else's. Once you have checked, if you are in possession of another child's uniform, please drop it into your child's class teacher and we will reunite it with its rightful owner.

Ok, now on to the Christmas items!

Christmas Jumper Day

I am pleased to announce that once again this year we will be joining in with the Save the Children Christmas Jumper day on Friday 10th December. This is a little heads up in case you need a little time to prepare for this. More details will follow nearer the time.

Christmas Dinner Day

This year's Christmas dinner will be held on Thursday 9th December. Details of the menu are attached. All Christmas Dinners need to be booked and paid for in advance, via the Ipayment system. You have until Sunday 5th December to book your child's Christmas dinner.

Santa Visiting School

As well as the above, we will also be having a very special visitor coming to see all the children that week.

Yes, the man himself will once again be parking his sleigh and his reindeer nearby, and setting himself up in the playground. Each class will go to see Santa as a group and he will have a chat with them all. As the visit will take place outside, please ensure children are coming to school with a warm coat.

Santa is coming to Hucknall

As well as visiting school, Santa will be in his grotto in Hucknall too. Details of the dates and times when he will be visiting can be found at the end of the newsletter.

This really is a magical time in school for all of the children.

We will close for the Christmas holiday on Friday 17th December and we will re-open for the spring term on Tuesday 4th December 2022.

Ed Seeley
Headteacher

It is now time for your child's yearly flu nasal spray!

The free seasonal flu spray is offered to all children and young people in:

Primary School Years: Foundation 2 Year 1 Year 2 Year 3 Year 4 Year 5 Year 6

Even if your child received this last year it is recommended, they have it again this year or they won't be protected. With COVID-19 in circulation it is more important than ever to reduce the number of those becoming ill with flu this winter to help protect them and the NHS.

What do you need to do?

You **must** complete **one** online consent form for **each** of your children.

It is important every child has a completed form which states if you would like them to receive the flu vaccination spray **or not**.

The online consent form can be found through this link or the QR code:

<https://www.nottinghamshireimmunisations.co.uk/Forms/Flu>

Visit date: Tuesday 23rd November 2021 **School code:** NG122587

SCAN ME

If you decide you want to withdraw consent you must email sais@nottshc.nhs.uk at least 24 hours before your schools session.

The nasal spray may not be suitable for some children, for more information visit www.nhs.uk/child-flu

Please note: If any of the following happen **after** completing this form you must contact the School Aged Immunisation Service: if your child becomes wheezy, has a bad attack of asthma, has started steroid tablets for asthma or has had this vaccination anywhere else.

How will the vaccination be given to your child?

We are a team of skilled and experienced nurses and support staff. The flu vaccination is a quick and simple spray up the nose.

Step one: The nurse places the tip of a thin plastic tube just inside the nostril.

The child can breathe normally whilst the vaccine is given.

Step two: Half of the vaccine is sprayed in one nostril.

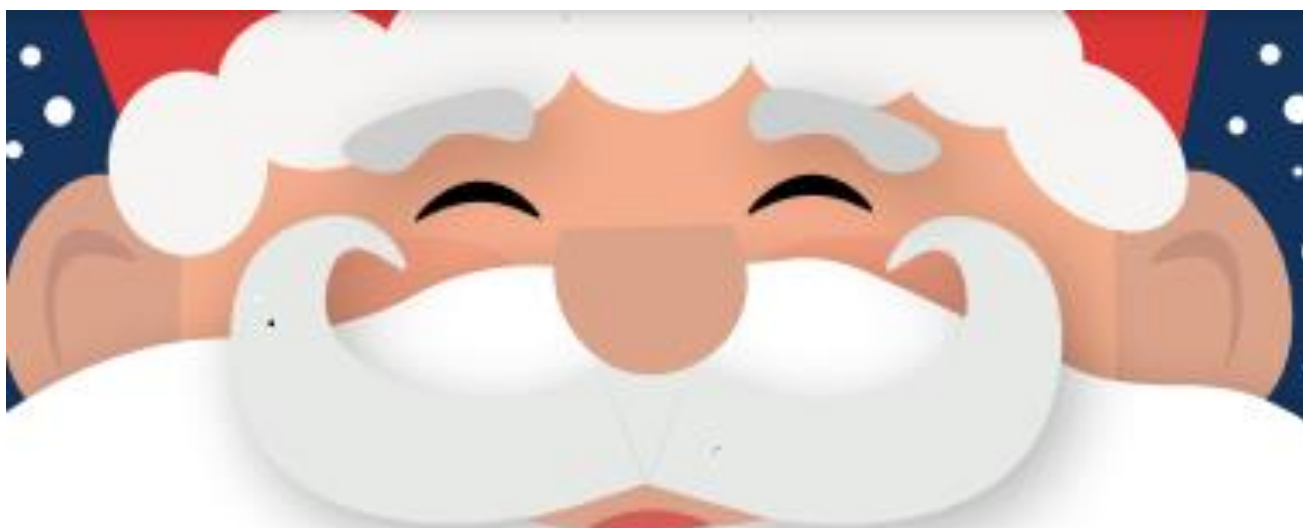

Step three: The other half of the vaccine is sprayed into the other nostril.

If you have any questions or need support to complete the consent form, please contact our friendly team:
