New Menu

We started our new menu this week. A copy is at the bottom of this newsletter.

This menu is now available to pre-order on www.ipayimpact.co.uk and you can order all the way up until February half term. If your finances allow, or you do not pay for your child's meals, why not order for the whole half term and tick one big job off your to-do list!

Please note that meals MUST be ordered by Sunday for the week ahead. This allows us to cook the correct number of meals and reduce our food waste. If you have not ordered for your child, there is a chance they will not be able to have a school meal.
