### Newsletter

Welcome back everyone! We hope you have all had a restful break. By now, all the current Nursery children will know which school they will be going to in September. We will be contacting those coming to us shortly for the next steps. This term is going to be extremely busy, with Year 6 SATS and all of the trips we have planned, not to mention the great work the children will do whilst in the classrooms, as well as lots of fun along the way! Hopefully the weather has finally changed for the better and we will be able to spend more time outside. Have a great weekend.

### Attendance

### Congratulations to Green class for a weekly attendance of 98.81%

Please remember to report absences for children daily – even if we have sent them home the day before. Thank you.

## **Building work around school**

You will now have seen and possibly heard the start of the building work in school to renovate the old swimming pool. This is a very exciting time in Edgewood as the new space will be invaluable. However, while this is ongoing, we would ask everyone to be careful around school, especially walking from the car park (the current contractors site office) to the main entrance. Please avoid the path directly next to the pool and come via the steps at the front of the building.

Unfortunately, there has been an issue over the holidays, which means the scaffolding which was due to go around the hall has been delayed. Please continue to use the normal gates for your child/children until further notice. As soon as we have any update, we will share this with you.

Also, due to the increased noise level caused by the works, it would be preferred for any communications to be done via the Scholarpack app as it was not possible to hear phone calls in Reception on Monday morning! Now is a really good time to make sure you have the app installed on your phones and that you can log on – if you need any help to do this please speak to the office. Thank you for your support while this improvement work is being carried out.

## **Request from Nursery**

Nursery have asked if any parents are having a sort out, they desperately need girls underpants in sizes 3-4 and 4-5 and socks for boys and girls. They are running out of spares so any donations of suitable items would be greatly appreciated!

Also, please see the link below for details of the new half-termly newsletter for Nursery.

## **Parent fundraising**

We have been made aware that a parent of one of our children in Year 6 will be taking part in the London Marathon this weekend raising money for Great Ormond Street Hospital! If you would like to support this very worthy cause, please click on the link below to donate. Thank you – best of luck from all at Edgewood!

## **Overhanging trees**

A local resident has contacted school to make us aware that there are 3 trees on privately owned land near to school that, in the opinion of a tree company, are dangerous. This land (and the potentially dangerous trees) is next to one of the main routes families use to go to and from school on School Avenue. We have contacted the County Council to seek advice, but please bear this in mind when walking to school in view of the potential risk of trees falling onto the path. Thank you.
