Christchurch Road, Hucknall, Nottinghamshire, NG15 6HX

Most Active Class Awards

This week, despite the cold weather the children have been keeping active during their lunchtimes and playtimes. Congratulations to this week's most active classes.

This weeks winners:
Red Class & Azul Class

Year 5/6 Handball

The Year 5/6 Handball Team travelled to Hucknall National to compete in the Hucknall Schools Tournament. The team battled superbly across all two groups games they played and put into practice all of the skills they have been taught this term. Their togetherness and team spirit saw them fight for every point and after a tough couple of games topped the group scoring 12 goals and conceding only 2.

The semi-final was a much tighter affair against Hucknall National after the girls finished 1-1 at half-time the boys produced an excellent second half display to come away with a 3-1 victory.

The final was another tight affair and after an outstanding first half display the girls had given us a 3-0 lead. The second half didn't quite go to plan after a reshuffle and one of the girls having to play due to an unfortunate injury to the boy's goalkeeper. The final finished 3-3 and we were crowned joint winners after children and staff from both Edgewood and Leen Mills decided not to take part in a golden goal.

Again, the children were complimented on their excellent sportsmanship and the way they represented the school. It is superb to see how much pride they take in representing the school and it was an absolute pleasure to take them.

February half term holiday club

The Lime Tress will be running their holiday club again during half term. Details of how to book and what activities are planned can be found at the bottom of this newsletter.

Parking on The Harrier

It is with regret; we have to bring this to your attention again. This week we have had an incident where a resident on a private road - The Harrier, was verbally abused by a parent, when the resident was kindly advising them, that they could not park on that street as it is a private road.

Can we please remind you **not to park** on this street, it is a private road for the use of residents only and if you do park there, we are more than willing to support any resident that calls the police as a result of illegal parking.

Head lice

We have been notified of a case of head lice in school. Head lice are very common in young children. May we request that you check your child's hair this weekend and treat the whole family accordingly if you find any signs.

Author Visit

Reminder that local author Daniel Henshaw will be visiting our school on Tuesday 24th January. He will be holding a whole school assembly and then running some 'hilarious, exciting and inspiring' writing workshops for all Key Stage 2 classes. Daniel is a qualified teacher who currently works at a Nottinghamshire primary school and has been shortlisted for the Children's Novel Prize at the Wells Festival of Literature. The cost of Daniel's visit works out at a cost of £1 per child. Please make this payment using the school iPay system before the day of the visit. This will be an enjoyable day for all the Key Stage 2 children. Daniel will also be selling and signing his books after school at £5. Bookmarks will also be available at 50p each.

Ed Seeley,
Head Teacher

THE LIME TREES
