Toys for sand

Do you have any spare toys that our foundation unit can use in their sandpits? If so we would greatly appreciate any donations for our youngest children to use in their sandpit as part of their outdoor play.

Christchurch Road, Hucknall, Nottinghamshire, NG15 6HX

Chewelry

Children who chew on non foods (hair, sleeves, collars etc) do it because they need oral motor sensory input. They crave the deep pressure that chewing provides to their gums. They use chewing as a way to cope and self-regulate. It can help them stay focused and is also an effective stress-coping behaviour. Chewelry are not toys and should not be brought to school unless a parent has had a discussion with the class teacher and/ or Mrs Bradley.

Year 6 Pop Lacrosse

This week, our year 5/6 pop lacrosse team travelled to Beardall Fields to compete against other Hucknall Schools in the Next Level Games.

Throughout the competition, they played some excellent lacrosse with the pick of the action being Oliver's four goals to ensure we won our third game against Hillside.

After playing the first three matches and winning them all, the team knew going into the final game they were already champions.

Unfortunately, in the final game they lost their 100% record in a narrow 3-2 loss to Beardall Fields.

Sunhat and suncream reminder

With warmer weather forecast, please may we remind you to send children with suncream & sun hats on sunny days.

Walking to School Week

What a wonderful week of walking! It has been so pleasing to see so many children and families walking to school this week – the weather has certainly helped.

It has been amazing to see over 93% of our school community walking to school this week. I hope the children have seen the benefits of this and enjoyed the socialisation that walking to school brings.

The class that walked the most this week was Rainbow class with 98% of children walking to school.

Diary dates

Year 1's Phonics Screen will take place on the week commencing 12th June.

School Games Day is Tuesday 4th July in the morning.

Year 4's Multiplication Check will take place on Wednesday 14th June.

The calendar for the next school year is also at the bottom of this newsletter.

All that is left is for me to wish you all a wonderful half term break. I look forward to seeing you all back at school on Monday 5th June.

Ed Seeley
Headteacher
