### **Edgewood Library**

We would like to advise you all, that the Library at Edgewood has re-opened to the public this week. The opening hours are Wednesdays and Fridays from 1.45pm – 4.45pm. Public libraries are a very important resource to the local community and we would urge you, and your family and friends to use the facility. Many community libraries are being closed and it is therefore imperative that if we want to keep them, we use them. Please help spread the word about the re-opening.

### **PE Kits**

Can we please remind you that children's PE kits should be a red top with black bottoms and black plimsolls or trainers. Please do not send children in glittery tops and trainers.

### **Changing Weather**

Due to the changeable weather at the moment, can we please ask that children are sent to school in suitable clothing for the weather on each individual day. Please send coats on colder days and when we get some sunshine, please ensure children have sunhats and sun cream. This should be applied before school, and a bottle brought into school with your child's name on it, so it can be applied during the day. Water bottles should continue to be sent whatever the weather.
