### Packed Lunches

Grapes are a good healthy fruit snack but if you include grapes in your child's packed lunch, please remember to always cut them lengthwise for any child of 5 or less to prevent a choking hazard. Please can cocktail sausages also be cut lengthwise for any child of 5 or less too.

### Harvest Festival

We will be holding our annual Harvest Festival next Thursday 6<sup>th</sup> October 2022. We are asking for donations of non-perishable foods, which will be donated to the Under One Roof food bank in Hucknall. As I am sure you will be aware, due to the current cost of living crisis, food banks are in dire need of donations. We are now taking any donations. All donations received will be taken after our Harvest Festival assembly.

We will also take donations not only from yourselves, but from your neighbours and relatives. If parents could kindly bring these donations to school on behalf of any friends or relatives that do not attend our school. Let us see if we can help the many families that find themselves in need through no fault of their own.

**All donations should be brought into reception.**

## Sports news

School sport returned for 2022-2023 with the boy's football team. The boys were quick out of the blocks and played some fantastic football throughout. A special mention to school captain and player of the match Albie, for his outstanding defending and leadership throughout the game. Unfortunately, the boys came out on the wrong end of a 3-0 score line. The boys played exceptionally well and should be really proud of their efforts.

The Year 5/6 Tag Rugby Team travelled to Beardall Fields to compete in the Hucknall Schools Tag Rugby Tournament. The first game was again Hucknall National. After some slick passing and good running with the ball we won the game with tries coming from Theo and Oliver. Our second game saw us play Hucknall FHA and again down to some exceptional team work we again came out on top scoring three tries (Theo, Finlay & Oliver). We knew going in to the last game that we needed to beat a strong Beardall team if we were to be crowned champions. After going one try down the team never let their heads drop and after some fine individual tries from Theo – the team came away with a 3-2 win (Theo scoring a hat-trick of tries).

The children were an absolute credit to the school throughout and it has been amazing to see how they have grown as a team this term. Huge congratulations on being the first trophy added to our trophy cabinet this year.

## It is now time for your child's yearly flu nasal spray!

The free seasonal flu spray is offered to all children and young people in:

**Primary School Years:** Foundation 2 Year 1 Year 2 Year 3 Year 4 Year 5 Year 6

Even if your child received this last year it is recommended, they have it again this year or they won't be protected. It is more important than ever, to reduce the number of those becoming ill with flu this winter to help protect them and the NHS.

### What do you need to do?

You **must** complete **one** online consent form for **each** of your children.

It is important every child has a completed form which states if you would like them to receive the flu vaccination spray **or not**.

The online consent form can be found through this link or the QR code:

<https://www.nottinghamshireimmunisations.co.uk/Forms/Flu>

Visit date: **1<sup>st</sup> December 2022**

School code: NG122587

SCAN ME

Online consent will close at **3.00pm the working day before the session.**

If you decide you want to withdraw consent you must email [sais@nottshc.nhs.uk](mailto:sais@nottshc.nhs.uk) at least **24 hours before your schools session.**

The nasal spray may not be suitable for some children, for more information visit [www.nhs.uk/child-flu](http://www.nhs.uk/child-flu)

**Please note:** If any of the following happen **after** completing this form you must contact the School Aged Immunisation Service: if your child becomes wheezy, has a bad attack of asthma, has started steroid tablets for asthma or has had this vaccination anywhere else.

### How will the vaccination be given to your child?

We are a team of skilled and experienced nurses and support staff. The flu vaccination is a quick and simple spray up the nose.

**Step one:** The nurse places the tip of a thin plastic tube just inside the nostril.

The child can breathe normally whilst the vaccine is given.

**Step two:** Half of the vaccine is sprayed in one nostril.

**Step three:** The other half of the vaccine is sprayed into the other nostril.

If you have any questions or need support to complete the consent form, please contact our friendly team:
