

PE – Cricket – Year 3/4

Key Learning

1. To know how to use skills with coordination and control when throwing and catching.
2. To know how to bowl under and over arm.
3. To work well in a group to develop various skills within games.
4. To know how to apply basic skills for attacking and defending when batting.
5. To know the rules for cricket – how to take wickets and score runs.

Vocabulary

Bat	Used by the batter to hit the ball and score runs.
Ball	A hard ball the bowler bowls to the batter with the aim of hitting the stumps.
Wicket	When a bowler gets a batter out by either hitting the wicket when they bowl or catching the batters shot.
Run	Scored by batters running between the wickets or hitting the ball to the boundary.
Bowler	The player who bowls the ball to try to get the batter out.
Batter	The player who tries to hit the ball and score runs.
Stumps	Made of three stumps; batters try to protect it.
Fielder	A player who stops the ball, catches it, or throws it back.
Over/Set	A group of 6 balls (over) or 5 balls (set) that the same bowler must bowl one after the other.
Boundary	When the ball is hit to the edge of the field: 4 runs if it bounces, 6 if it doesn't!
Umpire	The person who makes decisions and makes sure everyone follows the rules.
