Open Evening – March 2023

Dear parents and carers,

A quick reminder that tonight is the Open Evening from **3:40pm to 5pm**.

This is your chance to come into school to see your child's classroom and work. Trays will be out on the desks so you can sit and have a look at all their hard work. Teachers will be present to be able to answer some quick questions but there won't be time, or the privacy, for you to have a long conversation about your child's work and progress. Please save that for your 1:1 appointment next week.

You will not need to book for the Open Evening, just come whenever suits you between 3:40 and 5pm. This evening is finishing earlier than last time (at 5pm exactly) so please make sure you give yourself enough time to see your child's work before 5pm. We have shortened the evening as we had very few parents coming in after 5pm at the last Open Evening.

Entrance to the Open Evening is via the front entrance from 3:40pm.

Green and Orange Classes will both still be open tonight for you to look at books despite their class teachers being ill.

Ed Seeley,
Head Teacher
