Friday 16th July 2021

Dear Parents/ Carers of _____,

As a school we may have the chance to purchase some tutoring sessions for selected children within the school using our Pupil Premium funding. These tutoring sessions would therefore be free for your child to access as they are entitled to the Pupil Premium Funding. The children have been selected by their class teacher as someone one who would benefit from additional support over the summer to develop their key skills.

Before we can contact the tutoring agencies to see if they have space available we need to have an idea of who would be interested and therefore overall numbers interested from our school.

These online tutoring sessions will be run by a reputable tutoring company during the summer holidays. Children who take up this offer will be entitled to 10 - 15 hours of online tutoring focussed on an area of learning within English or Maths based on the needs highlighted by their class teacher.

If you are interested in your child accessing this additional support over the summer holidays, please complete the following slip.

Once we have contacted the agencies and have confirmed if they have suitable online slots available we will get back in contact with you to confirm. The slip below is just to confirm you are interested, not a guarantee they will be able to access the tutoring. **Please return slip by 3pm on Monday 19th July.**

Yours sincerely,

Miss Giles

Pupil Premium Leader
KS1 Leader

I am interested in my child _____ taking part in the free online tutoring sessions over the summer holidays.

My child is in _____ class.

I consent for my contact details to be given to the tutoring agency if a place for my child is available ☐
